# ABOUT THE AUTHOR

## JOHN REID

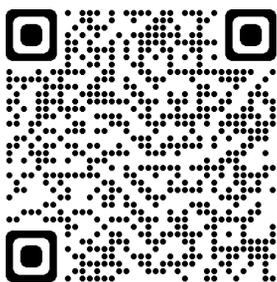

John Reid is a new crime fiction author, bringing a fresh style to the genre and inventive plots that keep the reader in suspense until the very end of each book.

Starting his working life as a student lab tech in Dundee with the NHS was short-lived as the mundane daily routine drove John to join the army on a 3 year Short Service Commission and get the adventure he craved. With tours completed in Northern Ireland and the Middle East he certainly got that.

A distinguished and successful business career followed that culminated in managing the UK portfolio of a Geneva based investment house.

Now living in Portugal with wife Liz, when not typing with a single finger John can normally be found on the golf course, chasing Andre Riu across Europe or watching motorsport, most probably Formula 1.
